The Slidell Independent

The Guest House nursing home in Slidell had some unusual guests, as Ken Roche' brought his miniature ponies to visit. Sponsored by Concerned Care Home Health, Roche' said equine therapy is well documented to help the elderly or handicapped. In top photo, Anna Famar is thrilled to pet the ponies while Malvania McElwee (right photo) gives "Champ" a kiss. In bottom photo, Comcare Corp., owner of the Guest House, donated \$1,500 to the free service Roche' provides with Equestrian Angel Therapeutic Outreach. Administrator Amy Nelson smiles as Virgil Strong admires the check. (Staff photos by Kevin Chlrl.)
